**Grant 0503-LAO: Second Strengthening Technical and Vocational Education and Training Project — Bid Evaluation Report for Procurement of Works: Polytechnic Technical and Vocational College (package CW03)**

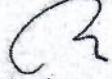

Dear Mr. Outsa:

We find the draft bid evaluation report submitted for civil works at Polytechnic Technical and Vocational College (package CW03) in order, and support the recommendation of the bid evaluation committee to award the contract to the lowest evaluated substantially responsive bid as follows:

Package	Contractor	Contract Amount (LAK)
CW03	Vannavong Construction Co., Ltd.	3,061,526,022

We note that PIU is in the final stages of securing clearance of the initial environmental examination (IEE) report, which constitutes conditions for award of any civil works contracts under the Grant. Upon clearance by ADB's safeguards specialists, please prepare the draft contract to incorporate provisions from the environmental management plan and submit for ADB approval.

Sincerely yours,
