**Grant 0503-LAO: Second Strengthening Technical and Vocational Education and Training Project — Bid Evaluation Report for Procurement of Works: Savannakhet Technical and Vocational College (package CW02)**

Dear Mr. Outsa:

ADB confirms no objection to the recommendation of the bid evaluation committee to award the contract for the construction of a 2-storey school building, 2-storey multipurpose building, and 2 workshops and provision of furniture at Savannakhet Technical and Vocational College (package CW02), to the lowest evaluated substantially responsive bid as follows:

Package	Contractor	Contract Amount (LAK)
CW02	Luangvilay Construction Company, Ltd.	7,231,649,216

We have also reviewed the draft contract and find the terms and conditions acceptable. Please proceed with contract signing, and submit a signed copy to ADB for issuance of PCSS.

Please note that disclosure of contract awards and debriefing of unsuccessful bidders are required. Please ensure that results of this procurement are published, within 2 weeks of receipt of this no-objection fax, in local newspapers or project website, and specify that any bidder who wishes to clarify why its bid was not selected may request a debriefing.

Sincerely yours,
